

**In Science** we will be....

Beginning to look at seasonal changes; looking at how the weather and length of day varies over the year. We will continue this over the course of the year. We will be using our observational skills and gathering and recording data.

**In History and Geography** we will be....

Focusing on our school and surrounding area to improve our geographical and fieldwork skills.

We will be using directional language and looking at maps as well as thinking about the human and physical features of our location.

**In Art and DT** we will be...

Working on collage, colour mixing and investigating different ways to create marks using paint .

We will also be creating moving pictures using pivots and levers and sliding mechanisms.

**In Music** this term we will be...

Using our voices expressively to sing songs, chants and rhymes.

**Year One**

**Autumn Term 2017**

**In Phonics** this term we will be...

Revising the phonemes we have already learnt and using them in our reading and spelling. We will be learning a range of new long vowel phonemes.

We will also be learning to read and spell a range of 'tricky' words.

**In Computing** this term we will be...

Controlling and following programs on a computer and creating a card. We will be learning to save and retrieve our work on the computers.

**In PSHE** this term we are thinking about..

How we can be positive about ourselves, how our emotions affect us and develop our relationships with our existing friends and think about making new ones.

**In RE** this term we will be...

Thinking about the church and what makes it a special place for Christians. We will also be focusing on what Christians believe, with a focus on Christmas time.

**In PE** we will be...

Completing gymnastics activities and focusing on improving our running, jumping and balancing skills.

**In English** this term we will be...

Focusing on stories with familiar settings , repetitive language and themes.

We will be reading the books: Oh No George, Blue Penguin, The Lonely Beast and The Jolly Postman.

We will be linking work in other areas to these texts.

**In Maths** this term we will be...

Focusing on counting forwards and backwards in 1's from any given number up to 100. We will also be counting in two's and fives.

Using and understanding mathematical language: equal to, more than, less than, most, least

Adding and subtracting numbers and solving word problems that involve these.

Naming and describing 2D and 3D shapes.
