

**In Science** we will be.....

Learning about forces and magnets, making predictions about what might happen and learning about magnetic poles.

Then we will be focusing on animals including humans, focusing on the nutrition they need and learning about skeletons and muscles.

We will be asking scientific questions and finding the answers and using scientific evidence to answer questions.

**In Art and DT** we will be...

Studying pointillism. We will be learning more about shading. We will also be looking at the work of European artists including Monet and Cezanne and creating close observation drawings.

We will also be following recipes to create pizzas; ensuring we are working hygienically and

**In History and Geography** we will be....

Learning all about Europe. We will be locating the countries of Europe on maps, looking at their key physical and human features and learning the location of the major cities.

**In Music** this term we will be...

Working on maintaining a steady beat or rhythm, playing pieces of music using symbols and playing on tuned percussion with increased confidence.

# Year Three

## Autumn Term 2017

**In MFL** this term we will be...

Exploring the patterns and sounds of the French language. We will be learning vocabulary linked to greetings, colours, numbers and body parts.

We will be learning poems and songs to help us remember these words.

**In PSHE** this term we are thinking about..

New beginnings and belonging—our similarities and differences and how these can enrich a group.

Rights and responsibilities

**In RE** this term we will be...

Thinking about why people pray and considering why sacred texts are so important to believers. We will be reflecting on our own and others beliefs and how this can impact lifestyles.

**In Computing** this term we will be...

Focusing on programming. We will be designing, writing and debugging programs.

We will also be working on our word processing skills, for a range of purposes.

**In PE** we will be...

Developing our skills in hockey, netball and gymnastics.

**In English** this term we will be...

Looking at instructions and writing recipes based on George's Marvellous Medicine.

Traditional Poetry

Non-chronological reports, linked to our topic on St Neots.

Adventure and Mystery stories.

Spelling, punctuation & grammar.

**In Maths** this term we will be...

Working on place value, addition and subtraction during the first half term with lots of practical work to consolidate our skills.

After half term, we will move on to multiplication and division, as well as working on measures.
