

In **Science** we will be learning about rocks by

- comparing and grouping together different kinds of rocks on the basis of their appearance and simple physical properties
- describing in simple terms how fossils are formed when things that have lived are trapped within rock
- recognising that soils are made from rocks and organic matter.

In **Art and DT** we will be...

Using paint to explore texture and colour mixing. We will be looking at cave paintings in Lascaux as inspiration for our own art work.

We will also be improving our sewing skills, making pouches for rocks and fossils.

In **History and Geography** we will be....

Thinking about the time period from the Stone Age to the Iron Age. We will be looking at what evidence we have to find out about the past, creating timelines and looking at connections between different periods of time and how life changed throughout this period.

We will be linking this work to our Literacy work.

In **Music** this term we will be...

Thinking about the phrases in a song, and exploring how posture, breathing and diction are important when singing.

We will also be using instruments and copying a short piece of music, playing by ear.

In **MFL** this term we will be...

Learning French vocabulary linked to ourselves and family members, thinking about Mardi Gras and how birthdays are celebrated in France.

Year Three

Spring Term 2017

In **PSHE** this term we are thinking about..

Our own safety in a range of contexts.

We will also be completing work thinking about relationships with family and friends and how these link to our emotions.

In **RE** this term we will be...

Focusing on Judaism, thinking about some of they key features of this religion and comparing it to Christianity.

We will also complete some focused work on Easter, considering the question: Is Easter a festival of new life or sacrifice?

In **Computing** this term we will be...

Continuing to improve our word processing skills and then focusing on using the internet to safely research and communicate.

In **PE** we will be... Swimming and playing invasion games.

In **English** this term we will be...

- Learning about apostrophes, commas, clauses, different tenses, paragraphs and inverted commas.
- Looking at Mr Benn stories, retelling a story and creating our own setting and character to write our own Mr Benn story

- Writing calligrams and shape poems

In **Maths** this term we will be...

- Looking further into multiplication and division (recalling and using x and ÷ facts, solving problems)
- Learning about time (telling, writing, estimating, recording and comparing)
- Working on fractions (recognising and using fractions as numbers, writing fractions, counting up and down in tenths)
