Mrs. Brown's bit...

A privileged position to be in!

The role of the Headteacher in a school is a most privileged position to be in. This week I have felt an enormous sense of pride as I have shown visitors around our school. Our children, staff, parents, Governors and the community have worked incredibly hard to show us off, they have spoken with pride about our school and what makes it a truly special place. Thank you one and all!

As a team we continue to make changes, some are small (to systems for example) and some are larger be that to the way we teach and learn or to our environment. Our aim is to get our best even better, so that we continue to flourish and make progress. This type of work is never ending and so it should be...we need to aim high and continue to drive improvements on the understanding that we can do even more. We should not be complacent with what we've got! Aspirations are the name of the game! High aspirations for everyone...

Here's to the weekend! Have fun, be kind to each other and see you all on Monday at 8:45am!

This Week's Eynesbury's Eight!
