

In Science we will be....

Learning about Electricity, creating circuits and finding out switches, conductors and insulators.

We will also be learning about materials; focusing on liquids, gases and solids and changes in state.

Through both these topics we will be making careful observations and asking and answering scientific questions.

In Art and DT we will be...

Improving our sketching skills, focusing on Van Gogh's Field of Poppies piece as well as work by Lowry.

We will also be completing food technology work, linking this to our work on world War Two.

In History and Geography we will be....

Learning about life and events during World War Two. We will be investigating why there are different accounts about the event and learning about propaganda.

We will be looking at the Geographical locations and features of the countries involved, using maps and atlases.

Our visit to Stibbington will greatly support our learning in this area.

In Music this term we will be...

Working on rhythm patterns from music from different times and places. We will also be working on maintaining two or more different ostinato patterns in a small instrumental group against a steady beat.

Year Four
Autumn Term 2016

In PSHE this term we are thinking about..

Our emotions; how they can impact our behaviour and how we can control them and about Drugs; how they can be used to help people and how to keep ourselves safe.

In MFL this term we will be...

Continuing to build on our French vocabulary, learning through song, rhyme and practical activities with a focus on colours, days of the week and toys.

We will also be learning about schools in France and the traditions in France at Christmas time.

In Computing this term we will be...

Working with Scratch to improve our programming and debugging skills.

We will also be looking at blogs, their purpose and how to use them safely and effectively.

In PE we will be...

Improving our skills in Net and Wall activities and Dance.

In RE this term we will be...

Considering why people go on journeys and pilgrimages and thinking about the Muslim faith and how prayer is important to them.

In English this term we will be...

Using stories with historical settings to increase our writing skills and link to our WW2 topic. We will also be learning about how to write persuasively, looking at some classic poetry and creating explanation texts. Alongside this we will

be completing weekly guided reading sessions and having lots of practice using and applying correct spelling, punctuation and grammar.

In Maths this term we will be...

Learning about place value in numbers with up to 4 digits. We will be adding and subtracting numbers with up to 4 digits. As well as this, we will be learning to recall and use multiplication and division facts for times tables up to 12x12. Finally, we will be learning about area in measurement.
